

Language

Aims:

- To learn some basic vocabulary in one of the featured languages – Spanish or French
- To find out about the language and culture of one of the featured countries – Spain or France

(Mandarin Chinese & Japanese are also available but the Culture challenge looks specifically at these games.)

Resources:

Download one of StampIT's Language games:

- [Spanish](#)
- [French](#)

Spanish or French stamps can enhance the games but are not essential to play.

Activity:

Play one of the language games.

Extension:

Enter the StampIT Spanish or French Competitions and design a page around a Spanish or French stamp.

Notes:

- The Spanish and French competitions are competitions with only one winner and a few 2nd place or commendation entries. Please read details.
- Some of the 'Stamp over October' activities are give-aways for the first entrants and some are competitions.
