

Culture

Aims:

- To find out through language about the culture of one of the featured countries – China or Japan
- To learn a basic understanding of some of the Chinese characters and the Japanese hiragana

Resources:

Download either StampIT's [Mandarin Language game](#) or [Japanese Sugoroku game](#)

Activity:

Play one of the games.

Extension:

Enter the StampIT Chinese or the World Competitions and design a page around a stamp.

Notes:

- The Chinese and World competitions are competitions with only one winner and a few 2nd place or commendation entries. Please read details.
- Some of the 'Stamp over October' activities are give-aways for the first entrants and some are competitions.
