

## Definitions

### Aims:

- To find out about the terms used in stamp collecting

### Resources:

StampIT's [Definitions page](#)

### Activity:

Read StampIT's [Definitions page](#)

Make a list of some of the stampy words which also have other everyday meanings and compare them.

For example:

#### **cover**

*everyday meaning* - a thing that lies on, over or around something

*stampy meaning* - an envelope with an address, usually with stamps and postmarks and has been through the postal system.
